Re: WC Docket No. 16-197

Dear Ms. Jones:

I am in receipt of your letter dated December 9, 2016, requesting approval for an extension until January 31, 2017, for filing three Independent Compliance Officer reports as required by the Commission as part of its approval of the applications for the transfer of control of licenses and authorizations from Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership to a new company, also named Charter Communications (Charter).¹ You state that as the monitorship is in its early phases, and as you are continuing to interview Charter personnel and reviewing the practices and procedures Charter has put in place to ensure compliance with the conditions, additional time to complete your initial evaluations would lead to more meaningful reports.

For the reasons stated in your letter and for good cause shown, your request for an extension of time to file these first reports is approved.

If you have any questions regarding this matter, please contact Joel Rabinovitz at (202) 418-0689.

Sincerely,

A handwritten signature in blue ink, reading "Matthew DelNero", is positioned above the printed name.
